WHO WE ARE:

HART is a Folsom nonprofit reducing homelessness through transitional housing, compassionate support, and strong community partnerships. We also operate the Folsom Winter Shelter.

- Homelessness in Folsom reduced by 10% since May 2023
- Cost-effective impact: about \$7,900 per person per year
- ~12 Folsom residents exit homelessness into permanent housing each year

OUR TRANSITIONAL HOUSING PROGRAM IMPACT:

Since 2018, HART has operated two transitional housing sites with a proven, community-driven model. Most participants graduate within 6–12 months into stable, independent living.

Participants receive:

- Safe, short-term housing
- One-on-one case management
- Personalized goals and coordinated services
- Access to employment, healthcare, and community resources

WHAT'S NEXT: EXPANDING HOUSING IN FOLSOM

HART is building the Student Village Project—five new, self-contained housing units located on the Oak Hills Church campus. Project Timeline:

- Site clearing: February 2026
- Site preparation: Spring and Summer 2026
- Open the Student Village for the Fall 2026 semester

WHY YOUR SUPPORT MATTERS!

As a non-profit, HART relies on community generosity to sustain and expand its mission. Your support helps provide:

- Housing for students pursuing higher education
- Housing for adults seeking stability
- Ongoing case management for long-term success
- A pathway toward dignity, independence and last change

BECOME A SPONSOR:

HART has already funded site preparation and secured funding for all 5 housing units—but we need community support to finish!
